Re: meeting with Ken

OK to proceed with the following;
however, we must document when
and why the following changes were
made.

(1) Stop testing on the Regular Don. CI → fiber
content, firmness (equil), loose ends (pack)

(2) Drop the 13 brands that are not
readily available -

Prime (3)

Quality Blend (4)

Best Choice (6)

(3) Add 3 brands to monthly pickup

Viceroy KS (SP)

L+M KS (SP)

Eve Lights 120 (Box)

(4) We can also

- * Add Merit Ullinia KS (SP) 0.26 billion
- * Reduce Cambridge packings (Gibbs)
- * Reduce Doral packings (Calhoun)
